University "Ss. Cyril and Methodius" Skopje, Macedonia  
Head of Radiology department, at University Surgical Clinic „St. Naum Ohridski“ Skopje,  
Subspecialist in musculoskeletal radiology  
ESSR Member, Member of Sports and Tumor Subcommittee of ESSR  
President of Macedonian Society of Musculoskeletal Radiology  
Radiologist at State Multidisciplinary Musculoskeletal Tumor Board  
Member of Macedonian Olympic committee

## **14th December**

### **12:00 Registration**

**12:45 Short introduction** (Violeta Vasilevska Nikodinovska)

**12:50 Welcome address** (Kai Vilanova)

### **Sports-Trauma 1: Upper extremity trauma**

13:00 MRI of rotator cuff tear – Igor Boric

13:25 Shoulder Impingement: posterosuperior, subcoracoid and subacromial – Kai Vilanova

13:50 Entrapment syndromes in the upper extremity– Amanda Isaac

14:15 Imaging of muscle trauma – Violeta Vasilevska Nikodinovska

### **14:40 Coffee break**

### **15:10 - 17:00 Tutorials**

Cases related to lectures and case presentation of:

Biceps pulley lesions and biceps instability – Kai

Capsulo labral pathology – Igor

Inferior glenohumeral ligament anatomy and pathology

MRI of brachial plexus trauma - Kai

17:00 End of scientific programme

## **15 December 2018**

### **Sports-Trauma**

08:30 MRI of the pelvic muscles and tendons; pain, overuse injuries and impingement syndromes – Kai Vilanova

08:50 Sports injuries around the knee – Amanda Isaac

09:10 Imaging of the cartilage and cartilage repair – Igor Boric

09:40 ACL injury and postoperative evaluation of ACL graft – V.Vasilevska Nikodinovska

### **10:00 Coffee break**

10:30 Ligament tears, repair and postoperative imaging – Igor Boric

10:50 Spinal injuries in an athlete: What, how and why does it matter – Amanda Isaac

11:10 Chronic foot and ankle pain: Bone marrow edema clues for diagnosis – Kai Vilanova

### **11:30 Tutorial**

Cases from the lectures and case presentation of:

Imaging after meniscus surgery – Kai Vilanova

Roof impingement in ACL or Impingement of Hoffa's fat pad – Kai Vilanova

Ankle tendons and joints (Achille tendons and plantar fascia)

### **13:45 Lunch**

### **Tumors and Arthritis**

15:00 Soft Tissue tumours and tumour mimics – Kai Vilanova

15:20 Imaging guided musculoskeletal tumor biopsy - Vasilevska Nikodinovska V

15:40 Assessment of the risk of fracture in skeletal metastasis— Amanda Isaac

16:00 Sacroileitis and spondyloarthritis: tips and tricks – Igor Boric

16:20 MR of discus hernia - Tane Markoski

16:40 Coffee break

**17:00 – 18:30 Tutorials**

Cases related to the lectures and case presentation of:

Sacroiliac joints: radiographs, normal variants which may simulate disease

Imaging of the tendon repair – Kai

18:30 End of scientific programme

Venue

The ESSR Outreach workshop will take place in Hotel Park, Skopje

Catering will be provided

Total number of participants is 65

Registration

Early registration fee until November 30<sup>th</sup>, 2018: 129€

Registration fee after December 1<sup>st</sup>, 2018: 179€

Before making final payment you need to have confirmation email that there are still places available. Send email with your name, working place and specialization on:
