ESSR
EUROPEAN SOCIETY OF
MUSCULOSKELETAL RADIOLOGY

SOCIETY

In June 2019, the following positions with the ESSR will become vacant.

OPEN CALLS - SUBMIT YOUR APPLICATION

Paediatric Subcommittee Chairperson - (term of office 3 years)

The ESSR Executive Committee would like to establish a new subcommittee "Paediatric" to focus on paediatric imaging. One of the goals will be especially to link to other (radiological or non-radiological) societies with similar fields of interest.

Application until February 20, 2019

* CV

* Motivation letter

send to office@essr.org

Councillors - (term of office 2 years)

The counsellors are elected by the membership and form part of the ESSR Executive Committee. They are requested to attend two face to face meetings per year on occasion of the ESSR Annual Scientific Meeting and the ECR – European Congress of Radiology.

The Executive Committee will approve the final list of all nominees. Elections will be held if the number of candidates standing for election exceeds the number of counsellors to be elected. In case of elections, the two candidates with the highest number of votes shall be considered elected by the General Assembly. The Executive Committee will select the third counsellor. The results of the election will be announced at the General Assembly.

Application until February 20, 2019

* CV

* Motivation letter

* support letters by 3 active members

Imaging of muscle atrophy: it is visible on all images, but do we report it routinely?

Read about the current state and upcoming imaging techniques in “Imaging of sarcopenia: ultrasound today, smartphones tomorrow?” in the January issue of “European Radiology” ([Volume 29, Issue 1, pp 1–2](#)) by Prof. Luca Sconfienza, Milan/IT)

EVENTS

MSK RADIOLOGY 4 U

Welcome to FREE online session on
Spinal Imaging Update
Friday, 8th March 2019, 11.30 to 15.00 hrs GMT

Programme

11.30-12.00 : Participants to login and cases	
12.00-12.30 : “Back to Basics”	- Dr Mark Davies
12.35-13.05 : Current concepts in Upright Spinal MRI	- Dr Steve James
13.10-13.40 : “Pain in the neck”	- Dr Rajesh Botchu
13.45-14.15 : Advanced spinal imaging and intervention	- Dr Anish Patel
14.50-15.00 : Cases and Q&A	

Register via webinar section on www.mskradiology4u.co.uk
Registrants can watch live webinar and will have access to recording for a week
3 CPD points

- ❖ Please check your speakers and headsets before the commencement of session
- ❖ Please note Webinar is one way communication
- ❖ Please type your query/queries to the speakers in the questions box which will be opened during the session. You can ask by pressing the hand symbol during the question and answer session.
- ❖ **Contact Dr Rajesh Botchu on info@mskradiology4u.co.uk**
